OpenText Recognizes Alitek with its
Top Implementation of the Year Award 2018
OpenText Partner of the Year Awards recognize excellence in delivering customer success

Houston, TX, United States — July 11, 2018 — Alitek today announced it has won the 2018 OpenText Top Implementation of the Year Award, presented at OpenText's annual Enterprise World event in Toronto.

The OpenText Partner of the Year Awards recognize the technology vendors, resellers, and systems integrators that have developed and delivered exceptional OpenText-based solutions during the past year. Alitek was honored among a select group of global partners for demonstrating excellence in innovation, and for implementing solutions that deliver exceptional customer value and contribute to furthering the digital transformation goals of intelligent and connected enterprises worldwide.

"We are honored to receive this award and appreciate the thirteen years of partnership we have achieved with OpenText," said Michael Hergenrader, Partner & COO, Alitek. "By partnering with OpenText, we are able to consistently deliver solutions that allow our customers to leverage their information to the fullest and add value to their organizations."

"OpenText partners are critical to the success of our customers who rely on their technology expertise, best-in-class service, and industry insight that the OpenText partner ecosystem delivers," said Patricia Nagle, SVP & CMO, OpenText. "Our Partner of the Year Awards are an important moment to reflect on the great work done in furthering the digital ambitions of our joint customers, and I could not be more pleased for Alitek who earned this prestigious recognition for their commitment to OpenText and our customers."
